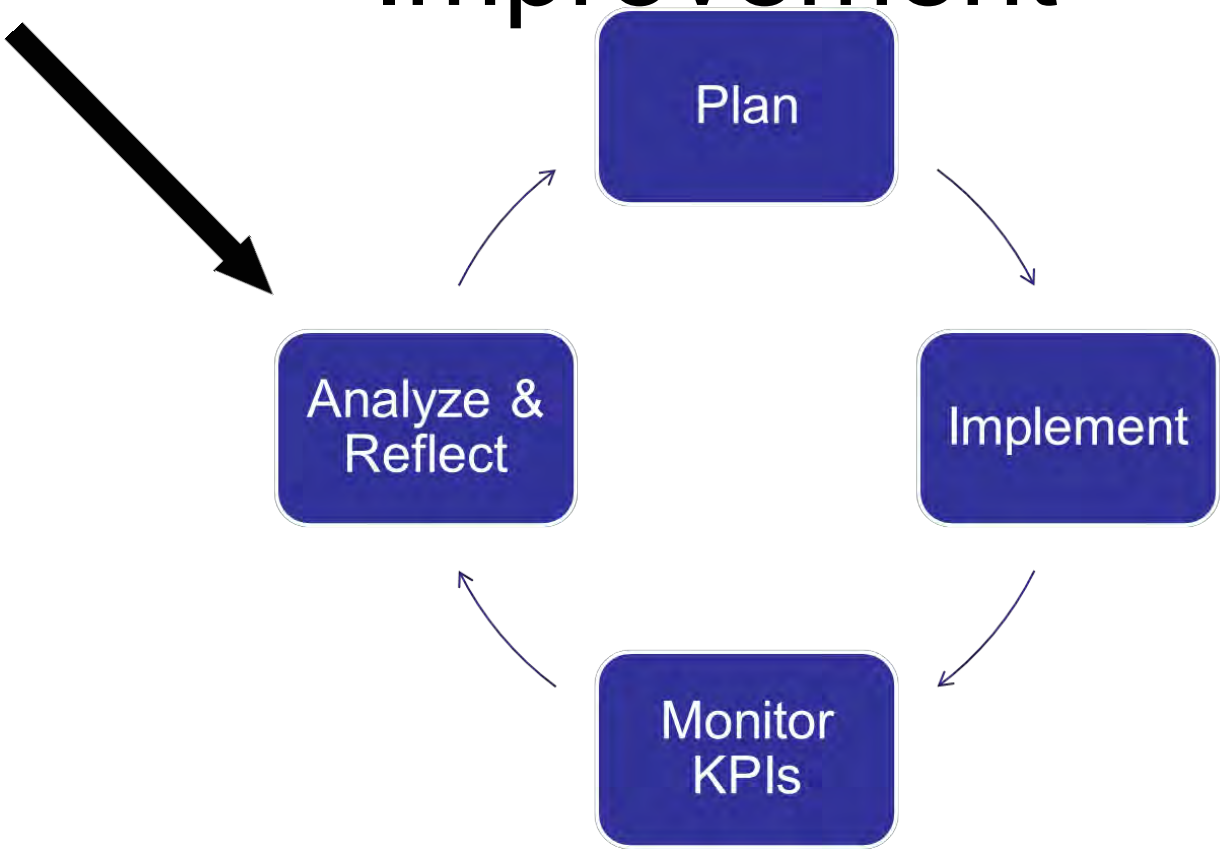
Twin Rivers Unified School District: *Inspiring each student to extraordinary achievement every day!*

CB: TRUSD Core Beliefs
LCAP: California Local Control Accountability Plan / Eight State Priorities

Purpose of Presentation

- Provide two-year district Smarter Balanced Assessment Consortium (SBAC) achievement summary
- Highlight school sites with significant SBAC growth
- Identify next steps

Cycle of Continuous Improvement



SBAC Meets/Exceeds

- SBAC divides student achievement into 4 performance levels:
  1. Standard Exceeded
  2. Standard Met
  3. Standard Nearly Met
  4. Standard Not Met
- Minimum goal for students: Standard Met
- Students scoring Standard Met demonstrate progress toward mastery of the knowledge and skills for English Language Arts or math in their grade level.

Next Steps in 2017-18

- Strong & aligned instructional focus throughout the system: Administrators, TOSAs, Professional Development
- TOSA Coaching Teams support all teachers in grade level or course
- Building Coherence in Instruction
- Document-Based Questioning for Rigor & Engagement

Next Steps

Support Teachers to Improve Math Instruction

- K-8
  - Training in Swun instructional methods
  - Access to Swun materials, use of lesson design
  - Monthly follow-up coaching
- 9-12 New materials & training, College Preparatory Mathematics (CPM)

Next Steps

Support Teachers to Improve ELA Instruction

- K-12
  - New, Common-Core-Aligned instructional materials
  - Training on the use of these materials
  - Supported by TOSAs and PLCs
