CITY COUNCIL'S MESSAGE: *June 7, 2018*

During the "Mayor & Administration Reports" portion of the May 29 City Council Meeting, Mayor Desiderio announced that, due to many requests from the public, he was issuing Executive Order # 1-18 that would allow the City to sell an additional 100 Seasonal Parking Passes starting at 1:00 p.m. on that day. Shortly after the Mayor's announcement, Ordinance 1622 was introduced and approved on First Reading, effectively increasing the number of Seasonal Parking Passes from three hundred (300) to four hundred (400). Please Note: Each of the additional 100 Seasonal Parking Passes sold out by the morning of June 7.

Also during the "Mayor & Administration Reports" portion of the May 29 meeting, Sea Isle City Police Chief Thomas McQuillen introduced a representative from Garden State Highway Products, who displayed an electronic LED sign that read "Road Flooded When Flashing." The presentation by Garden State Highway Products gave City Council and the public a visual image of the type of signage that the Administration is considering installing in flood-prone areas in order to give motorists advanced notice when flooding is expected.

There were eight (8) Resolutions on the May 29 Consent Agenda, including:

- Resolution 096, which authorized the City's participation in a National Joint Power Alliance for the acquisition of a new Compact Front Loader for $85,861 (in Capital Funds) for the Department of Public Works. Acquiring City equipment via a cooperative purchasing agreement (such as the National Power Alliance) saves tax payer money.

The next City Council meeting will take place on Tuesday, June 12, at 10:00 a.m. in Council Chambers, located on the third floor of City Hall. We hope to see you there!

Best Regards from the Members of City Council,

Council President Mary Tighe (mtighe@seaislecitynj.us)
Frank Edwardi (fedwardijr@seaislecitynj.us)
J.B. Feeley (jbfeeley@seaislecitynj.us)
Jack Gibson (jgibson@seaislecitynj.us)
Bill Kehner (wkehner@seaislecitynj.us)
