

Across Time and Many Lands...

The Beth David Synagogue Kosher Legacy

Across Time and Many Lands... sums up the essence of this cookbook and our Beth David community. Our members gathered from across the globe, hailing from Irkutsk, Siberia to suburban New Jersey, and from Oslo, Norway to Recife, Brazil. Our parents and grandparents were born and raised everywhere from the Carpathian Mountains to Casablanca, and from Johannesburg to Caracas. And they cooked and tasted everywhere.

Cookbooks are fun, not only because they expand our palates, but also because they are a testimony to where we have been and what we have learned. Like the personal journals wherein many people record the days of their lives, cookbooks handed from generation to generation tell interesting stories about our living heritage.

We hope and trust you will enjoy this collection of recipes from our Jewish community. Please fill out the form and return with your *check made payable to Beth David Synagogue*. Upon receipt, we will mail you the book or you may stop by and pick it up.
