The Village at Rockville
A National Lutheran Community

June 22, 2022

Dear Friends,

Greetings from The Village at Rockville—A National Lutheran Community.

The Village at Rockville invites you to ***Playing with Faith*** Clergy Workshop on July 20th from 9 a.m. to 12:30 p.m. at 9701 Veirs Dr, Rockville, Maryland.

Would you like to offer programming to older members of your congregation that connects them to their faith, community, and each other all while having fun?

Since we never lose the ability to play at any age, why not engage in ***Playing with Faith***. Learn how to help older members express their faith and create meaningful connections with others through games. This hands-on workshop will provide you with a toolkit of activities that you can adapt to use with your congregation, either in-person or virtually. These activities will:

1) allow older members of your congregation to share their faith with others in a non-threatening way and enable them to get to know each other on a deeper level.
2) teach older members of your congregation how their faith is important and needs to be shared with others in the congregation and in the community.

To attend, please RSVP to rricci@thevillageatrockville.org or call 301-354-8437 by July 13, 2022.
