Master Gardener Volunteer Opportunities

We hope you will consider volunteering for any of the opportunities listed below. This is a current list of opportunities that the Community Service Committee has been asked to help find volunteers, as of the date above. Events that are in critical need of MG volunteers are highlighted in red text throughout the list. If you do plan to volunteer, please notify the contact person at least a week prior to the event, or as soon as possible to avoid last minute cancellations. Please note that the service types listed are the generally applicable categories, but the specific event on the day or task performed dictates the category. When in doubt, ask the contact person or any member of the Community Service Committee.

If you know of an event or community garden that needs MG volunteers, please contact Bunny at 858-442-6403, Laura at 205-908-3715, or Cathy at 205-602-4078, or email jcmgacommunitysvc@gmail.com, as we are happy to add your volunteer need to this list. Although the Community Service Committee cannot guarantee this list will provide you with volunteers, it will definitely advertise your volunteer opportunity to our membership.

Note: If you are a sponsor/contact person for a community outreach display table, kits containing a JCMGA tablecloth and numerous ACES publications are available to reserve for your event. Kits need to be reserved through Cathy, Laura or Bunny and can be picked up at the BBG lobby on the Wednesday prior to your event. The kits must be returned to the BBG the following Tuesday afternoon, so they can be replenished for the next use. Thank you!

Date	Service Type	Location/Address/Details	Contact Info
