MASSACHUSETTS STATEWIDE

Diabetes Network

Join the Network!

NETWORK MISSION

To convene and organize together with key stakeholders working to remove barriers and improve diabetes and prediabetes resources, education, and services in the Commonwealth.

MEMBERSHIP

You will be furthering the Network's mission and get a chance to:

- Expand your professional network with other diabetes professionals and organizations
- Receive and contribute to the quarterly Network newsletters
- Earn CEUs for quarterly meeting presentations
- Join a subcommittee of interest and collaborate once a month for Network development
- And many more opportunities!

LEADERSHIP

The **STEERING COMMITTEE** for the Network acts as the governing body for the Network. It has 3 major tasks organized into subcommittees:

PROGRAMMING
Planning and running quarterly Network meetings

PROJECT PLANNING
Soliciting project topics and recruiting project teams

COMMUNICATIONS
Member engagement, newsletter and information sharing
