STRAWBERRY FARMS GOLF CLUB, IRVINE

Dear Teammate,

MOMS is Teaming Up for *Healthy Beginnings, Bright Futures* at our annual gala taking place on **May 31, 2025** at **Strawberry Farms Golf Club in Irvine**.

We would be delighted to have you join Team MOMS by supporting this event through sponsorship, underwriting, purchasing tickets or donating to the silent auction.

Funds raised directly impact new and expectant mothers, babies and families in our program with a specific emphasis on mental health initiatives. We look forward to bringing together over 160 guests for a night of friendly competition, inspiring awards, philanthropy and a whole lot of fun as we team up in support of MOMS and mental health.

MOMS delivered education, resources and support to nearly 4000 individuals this past year, and – with your support - can continue to surround disadvantaged, vulnerable families with the resources they need in the coming year. We all win when babies are born healthier and parents are equipped with the tools necessary to care for them.

Please take a moment to review the following pages and consider Teaming Up for Healthy Beginnings, Bright Futures 2025.

We thank you for helping us hit this one out of the park.

Let's Go Team!

Gratefully,

Dave Lugo

General Manager, Team MOMS

HEALTHY BEGINNINGS START WITH A HEALTHY MOTHER

WHO WE SERVE

MOMS serves women in Orange County, CA whose pregnancy health or their infant's health is at risk due to poverty and associated stressors. Each year, 4,000 women and babies experience improved maternal and infant health outcomes through MOMS village of support.

A FOCUS ON MATERNAL MENTAL HEALTH

ONE IN FIVE new and expecting mothers experience clinical anxiety, depression and other mental health conditions. Isolation, economic and social/environmental stressors contribute to this growing concern.

ONE THIRD of referrals made by our Home Visitation team are for needs related to mental health, yet access to such services in the community is limited.

90 PERCENT of mothers in our Healthy Woman program know how to recognize when they need support and can practice taking care of their mental health.

TEAMING UP FOR HEALTHY BEGINNINGS, BRIGHT FUTURES

Let's team up to sustain vital mental health services and support for mothers in need!

- Short-term licensed therapy
- Specialized in-home postpartum visits
- Postpartum support groups
- Healthy Woman classes
- Specialized home visits and education for women facing intimate partner violence

DID YOU KNOW?

Maternal mental health conditions are treatable. Unfortunately, most women who report symptoms of anxiety or depression do not receive counseling or treatment, especially during pregnancy.

MOTHERS RECEIVING MOMS ONE-ON-ONE THERAPY:

- **87%** say they can build coping skills
- **84%** can find resources to rely on for support
