Student Kits

In America, most students are fortunate enough to always be provided with the materials and supplies they need to succeed in school. They never have to worry about having notebooks to write in, crayons to color with or a desk to work on. However, in many other countries most students lack the basic supplies required to perform well in school.

So, here at Midwest Mission, we put together Student Kits that include the basic items that every student needs. Our volunteers create these kits by hand, to ensure each bag is carefully filled with everything a child needs. These kits are sent to students who cannot afford or do not have access to the materials they need. With your help and generosity we can make an impact on a young students life by giving them the resources to do well in school.

- [ ] Day and Night Pads
- [ ] Waterproof Bags

- [ ] Bed Packs
