CHURCH NEWS

The New Building Finance and Leadership Team would like your prayers for upcoming deadlines related to the new building:

- August 11- 6:30 Building update for those who have not been able to attend prior informal sessions
- August 18, 2019 – Church Conference for congregational vote of the Financial Plan and moving forward toward *A New Beginning*.

Volunteers needed to be teach Children's Sunday School or be an Adult Helper for our Children's Ministry.

The lessons and materials are provided for the Sunday School teachers. The Sunday school teachers are on a rotation and would teach about once a month. We are very flexible with schedules. As an Adult Helper, you would join the kids and teachers while assisting as needed or work on small projects for the Sunday School program.

If interested, please contact Stephanie Shelton at 567-202-5035 or sshelton171@gmail.com. All adults working with the kids would require a background check that will be provided by the church.
