HOLY ROSARY SCHOOL
1955

Established in 1955, Holy Rosary School is a faith community, which shares its love of God and instills high academic values. We guide students to an understanding of who they are and an appreciation for what they can contribute to the world.

In the last 18 years, **On Course Fore Education** has raised over **$360,000** for our technology program.

The proceeds from this year's tournament will continue to support the technology infrastructure for the school.
