

*"On Just One Foot" ...*

### CALLING ALL CURIOUS JEWS!!

This Shabbat, August 12, we will be challenging Rabbi Adler in our third **Al Regel Echat** program. "On just one foot", the Rabbi will answer pre-submitted questions from congregants. Yes, the Rabbi will be knocking out **SPEED SERMONS** on all sorts of queries, from kashrut to cosmological, from eggs to existential. This is **YOUR** chance to ask Rabbi Adler what you've always wanted to know about Judaism but was afraid to ask!!

Beth David friends, now is the time to send in your questions so we can write them up and draw them from a hat randomly. You will be delighted and amazed to see your Rabbi, yes **RABBI ADLER**, knock homers out of the park like an Atlanta Braves superstar.

Come to shul August 12 and see the magic for yourself!
