Parents are asked to check on their children and to cooperate with our staff. Children are always welcome in the sanctuary, though it is requested that children in the sanctuary be seated with a parent. Beth David does request that children be in the sanctuary or in the supervised care, children should not be allowed to wander the building unsupervised. A light lunch will be provided to the children on each of the three days.

NOTE - This year there will be a pre-registration required and a modest fee for High Holiday child care. The fee will be \$5.00 per child per day, with a family max of \$25.00 for the three days of Yom Tov. Taking a few

moments to complete the online registration by [CLICKING HERE](#), or calling the shul office, will help Beth David to be properly prepared.
