Children's Day @ Beth David—Tuesday, September 25

The second day of Succot will be a special day for the children of Beth David.

- At the conclusion of Yom Tov morning tefilot, instead of Parsha Cards, the kids will stay on the stage at shul for the reading of a Yom Tov story, and every child will receive a gift copy of the story book from the shul. A gift for the adults—the story reading at the end of services will be in lieu of a Dvar Torah in the middle of services!
- Later in the afternoon (details to follow), there will be a Yom Tov Succah Hop organized by the shul Youth Committee.
