VIRTUAL CELEBRATION

HONORING CHARLES B. WANG COMMUNITY HEALTH CENTER STAFF

WEDNESDAY, MAY 5, 2021
6:00 P.M. - 7:30 P.M. (EST)

The Chinatown Health Clinic Foundation invites you to a virtual celebration of 50 years of bringing healthcare to the community.

Wednesday, May 5, 2021 | 6:00 p.m. to 7:30 p.m. (EST)

In 1971, the very first Chinatown Health Fair was organized by a group of volunteers to provide health education and screenings to the medically underserved Chinese community in New York City. Today, the Charles B. Wang Community Health Center provides Adult and Pediatric Primary Care, Mental Health, Dental, OB/GYN, and enabling services to more than 60,000 patients per year.

We understand it's been a rough year for many due to the pandemic. Let's come together to celebrate the resilience of our community and the staff of the Charles B. Wang Community Health Center. Join us as we honor our past while forging a healthier future.

Registration is free and is required to attend the event.
