DEBTORS ANONYMOUS

UPDATE TO THE D.A. GUIDELINES for MEMBER SAFETY

The GSB Literature and Publications Committee (LitPub) and the WSC Underserved and Under-represented Outreach Committee (UUOC) would like to remind our D.A. members of our updated Guidelines for Member Safety.

This service literature was developed for meetings to focus on member safety in order to make available the spiritual solution of Debtors Anonymous to anyone anywhere who has the desire to stop incurring unsecured debt. **The GSB would like to call your attention to this new update which includes additional guidelines on "Discriminatory Harassment".**

As stated in Tradition 4, each meeting is fully autonomous. *We encourage all members to consider these safety guidelines in order to facilitate meetings that are safe and healthy for all.*
