## Please be mindful and respectful ...

As the seasons change and outdoor temperatures warm, we are all more cognizant about staying hydrated. Nonetheless, we ask our worshippers to be respectful of sanctuary protocol. **Please keep food and beverages out of the sanctuary or chapel.** Use other public areas of the building for water or snacks. We realize, however, that small children may need a snack to remain in the sanctuary and chapel. We ask parents to do so discreetly. This request is based on *Shulchan Aruch* (Code of Jewish Law) guidelines for maintaining the sanctity of a sanctuary.

As an experiment in accommodation, cold water with cups will be set on a table in the social hall for Shabbat Tefilah morning attendees as needed.
