## Please be mindful and respectful ...

As the seasons change and outdoor temperatures warm, we are all more cognizant about staying hydrated. Nonetheless, we ask our worshippers to be respectful of sanctuary protocol. **Please keep food and beverages out of the sanctuary or chapel.** Use other public areas of the building for water or snacks. We realize, however, that small children may need a snack to remain in the sanctuary and chapel. We ask parents to do so discreetly. This request is based on *Shulchan Aruch* (Code of Jewish Law) guidelines for maintaining the sanctity of a sanctuary.

As an accommodation, cold water with cups will be set on a table in the social hall for Shabbat Tefilah morning attendees as needed.

## It's Back, A Summer Time Favorite ...

### "Al Regel Achat" - "Speed Sermon"

#### Shabbat, July 28

"Speed Sermon" is a dedicated Shabbat when Rabbi Adler addresses the congregation at Kiddush, answering pre-submitted questions, in **one minute or less**. This is our third summer with a Speed Sermon Shabbat, and we expect it to be as informative and entertaining as the first two. Do you have a question to submit to the Speed Sermon planning committee (that's right - **Rabbi Adler will not see or be told of the questions in advance!**)? Questions can be submitted via e-mail to Karen Benjamin at [jerry.benjamin@comcast.net](mailto:jerry.benjamin@comcast.net).
