PSA Registration Statistics

Since the first group of PSA applicants were presented to the CVBC's Registration Committee at the November 2021 committee meeting:

- The Registration Committee has approved 15 applicants for PSA registration
- 12 of those 15 have since completed the final steps of the registration process, been granted PSA registration in the Private Practice class, and have successfully matched themselves with a supervisor approved by the Registrar
- 1 PSA registrant has already completed their NEB exam process, received their CQ, and had their registration converted to full Private Practice registration.
- The office presently has 10 other active applications for PSA registration
