

FACT: More than **16 million** Americans with disabilities are **not** registered to vote.

According to **New Jersey's Self-Advocates**, voting is important because:
*"It's a way to **advocate for yourself** and what you believe in!"*

*"It's about **using your voice** and letting everyone know where you stand."*

As Advocates and Registered Voters, it is your **right** and your **responsibility** to plan ahead for **Election Day**:

Tuesday, November 8th, 2016

Need help arranging transport to your polling place?

Ask a family member, staff member, friend, co-worker or neighbor you trust to give you a ride.

FUN FACT: YOU DO **NOT** HAVE TO BE YOUR OWN GUARDIAN TO VOTE.
YOU **DO** NEED TO BE *REGISTERED*, AT LEAST 18 YEARS OF AGE & A U.S. CITIZEN.
If you can't make it to your polling place on Election Day, please consider
a **Vote By Mail** application.

Applications for a **Vote By Mail** ballot must be filled out and received by
mail at your County Clerk's office **before October 19th, 2016**.

Talk about your Election Day plan early:

Do you want to vote? You can vote in person on Election Day **or** by mail
weeks before Election Day.

Are you registered? Find out by visiting [this](https://voter.njsvrs.com/PublicAccess/servlet.com.saber.publicaccess.control.PublicAccessNavigationServlet?USERPROCESS=PublicSearch) website.

If you want to cast your ballot in person, how will you get there?

It is your responsibility to ask a parent, friend, or member of your Support Staff to help you get to your polling place on November 5th. Polling places open at **6 AM** and close at **8 PM**.

Do you know where your *polling place is located?*

Find out **here**: <https://www.google.com/elections/ed/us/vote>

Would you like *assistance in the voting booth?*

You can ask a friend, family member or staff member to enter the booth with you.

You can also request assistance from poll workers at your polling place on Election Day: **two** workers from *two* different political parties (one Democrat and one Republican, for example) can assist you in the voting booth.

If you require a headset or other accessibility option, don't be shy: ask a poll worker for assistance. They are there to help!

On Election Day, November 8th, **Disability Rights New Jersey** will have attorneys available by telephone to answer questions concerning **disability-related voting problems** or **accessibility issues** you might experience: 800-922-7233 or (619) 633-7106 (TTY)

REMEMBER:

Receiving the mobility and accessibility options you need in order to cast your ballot is *YOUR RIGHT*.
Don't let anyone take it away.

If you are at least **18** years old, **registered** to vote, a **resident** of New Jersey and a United States **citizen**, you **can** vote!

Your **vote** is your **voice**.
Will you **speak up** on **November 8, 2016?**
