ISPE THAILAND
ANNUAL GENERAL MEETING (AGM) 2025

21-23 July 2025

Message from the President

On behalf of ISPE Thailand Affiliate, we are pleased to invite you to **ISPE Thailand Annual Meeting 2025** being held on July 21st–23rd, 2025 at the Ambassador Hotel, Bangkok Thailand.

ISPE Thailand Affiliate has been delivered technical and operational solutions to support pharmaceutical industry in the manufacture of quality, safety and efficiency medicines for patients all along. This year ISPE Thailand Annual Meeting focuses on broadening pharmaceutical industry to mitigate risks associated with potential safety of patients, market fluctuation, regulatory changes, supply chain disruption and etc. We, therefore, come up with theme "**Diversifying in Pharmaceutical Industry**" this year.

Mr. Totsapon Santitewagun
ISPE Thailand President

Diversifying can lead to innovative solutions, ability to adapt to change, new markets, new therapeutic areas or product categories. It also involves an upgrade in skills, knowledge and technology.

As always, we have international subject matter expert speakers, full program of sessions, table top exhibition and special gifts for attendees. For the meeting, speakers and attendees will comprise regulators, pharmaceutical and biopharmaceutical industry, academia and vendors. It is the signature of ISPE, the meeting is not just an opportunity to learn but also to connect.

Join us for a day of insightful learning and networking, exchange insights, and update trends technologies and services.

We look forward to your participation at this special event and hope that this experience will be of benefit to you and your organization.

Why you should attend ISPE Thailand AGM 2025

- Share expertise and point out practical issues facing global pharmaceutical & biopharmaceutical manufacturing and how they will influence your operations and shape the future of the industry.
- Update Status & Trend of Pharmaceutical Manufacturing in South East Asia countries.
- Give your support to Thai Students on the ISPE Hackathon Competition 2025, where the winners will join the Hackathon Competition in ISPE Conference at Singapore.
- View Technology and Innovation from over 30 exhibitors.
- Connect with Local and International Pharmaceutical and Biopharmaceutical Professionals.
- Last but not least, explore the opportunities to new markets, new therapeutic areas or product categories to manage potential risks and promote business growth, along with this year theme "**DIVERSIFYING IN PHARMACEUTICAL INDUSTRY**".
