Mr. Gian Sihota

Gian Sihota is a public member on CVBC since 2019. I am very excited to be part of EDI advisory group in developing roadmap plan in building a respectful environment so that all diverse members of the College feel valued, respected, welcomed. I have been involved with various community groups, unions, other organizations with extensive experiences in human rights issues, social activism. I have worked on ending violence against women, social justice campaigns. At present I am an active member of Richmond Multicultural Concerns Society, and an executive member of West Coast Coalition Against Racism Society. I also provide service as freelance interpreter with the Provincial Health Authority. My passion is to advance values of inclusiveness, fairness, transparency. I believe a better world is possible by incorporating fair policies, practices, processes. Happy to contribute to EDI work.
