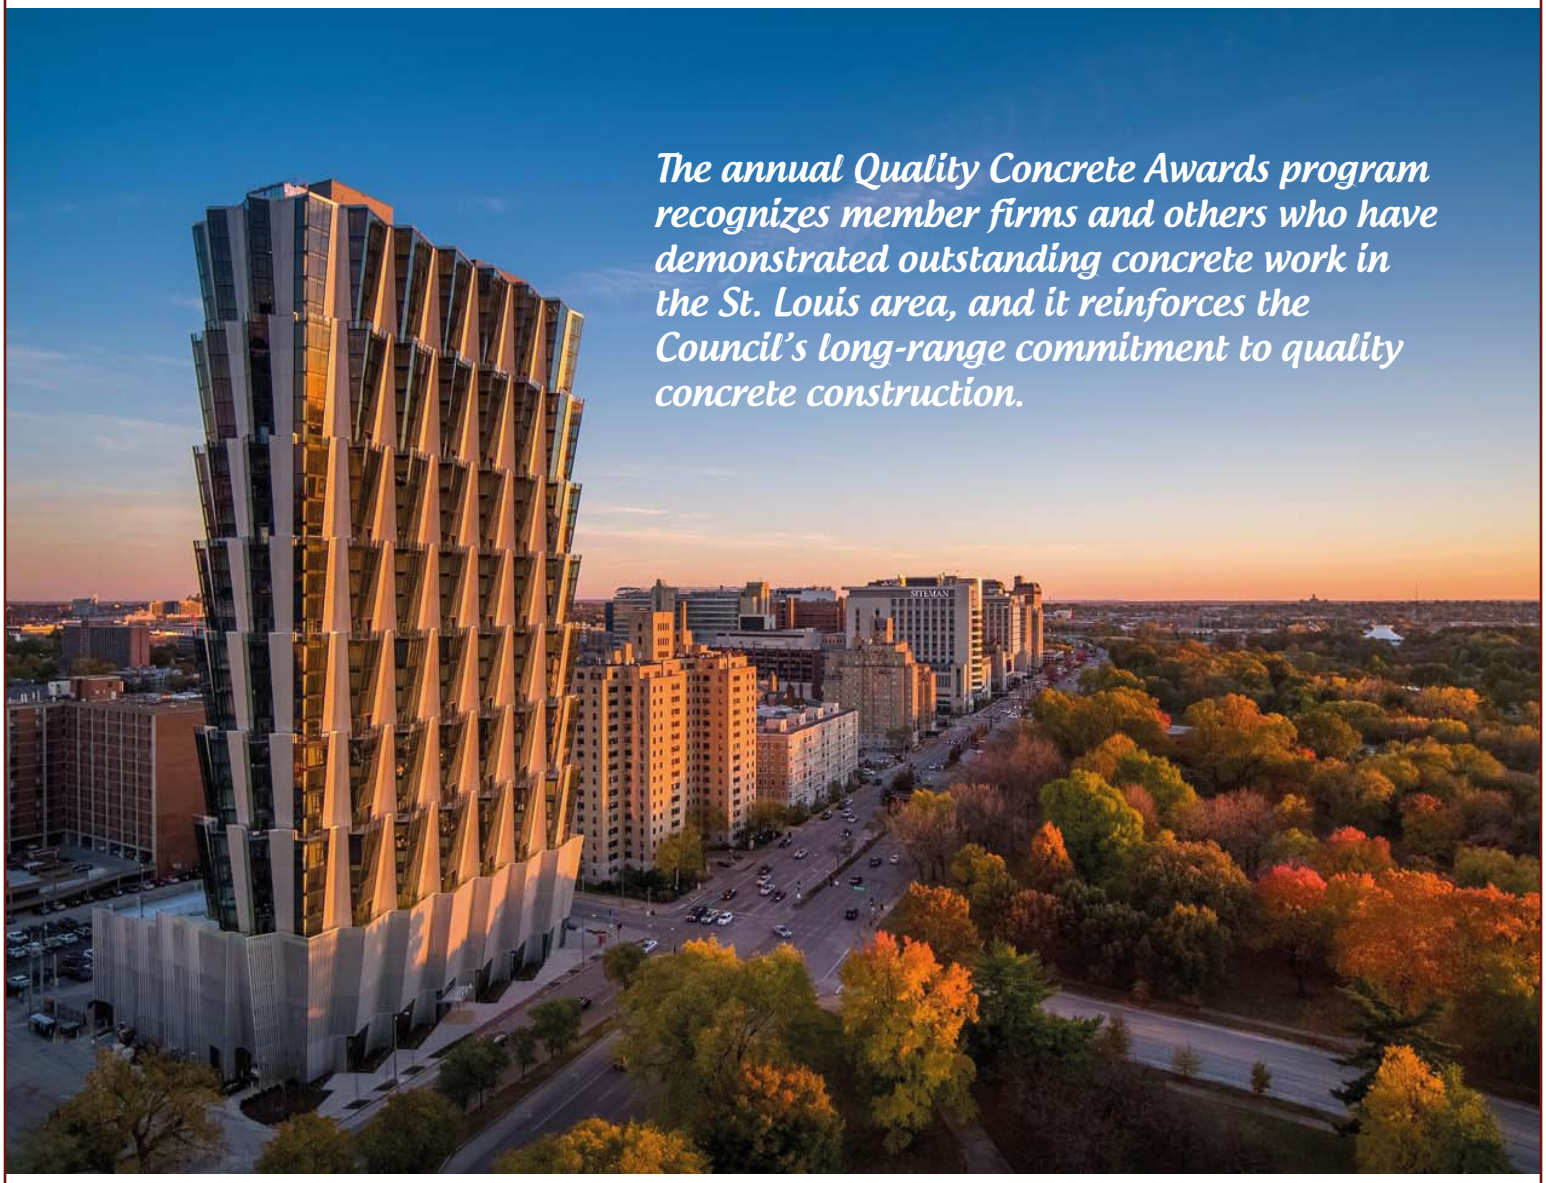
CONCRETE COUNCIL

QUALITY CONCRETE AWARDS

ACI MISSOURI CHAPTER

2022 - 2023



The annual Quality Concrete Awards program recognizes member firms and others who have demonstrated outstanding concrete work in the St. Louis area, and it reinforces the Council's long-range commitment to quality concrete construction.

We invite you to participate in this year's competition. We hope you will take the time to submit one or more entries and will attend the awards ceremony in April 2023.

Eligibility Rules and Application Procedures

ELIGIBILITY

All member firms of the Concrete Council, along with local architects and engineers, are eligible to enter this competition. **Projects must have been completed within the last 5 years and a member firm must have been involved on the project.** A current list of Concrete Council members may be found on our website: www.concretecouncil.com/members.

AWARD ENTRY DEADLINE

All award entries must be received no later than 5:00 PM on **Tuesday, January 24, 2023. NO LATE ENTRIES WILL BE ACCEPTED.** Award entry form and photos can be emailed to gheck@blacktwigllc.com or can be sent via DropBox.

AWARD ENTRY FORM

Entry in the awards competition requires a completed award entry form (pages 3 - 4) received on time. The submittal information, narratives, and photographs play a vital role in project selection, because the submittal is the only input available to the judges.

PHOTOGRAPHS

In addition to the completed entry form, entrants must submit a **minimum of 5 and no more than 10 "high resolution" jpeg photos taken during all stages of construction as well as of the finished project** (if applicable). Photos should illustrate points made in your project summary. The file name of all jpegs must include the PROJECT NAME and the SEQUENCE NUMBER IN WHICH THE IMAGE SHOULD BE VIEWED. For example, "Concrete Parking Lot 01" and "Concrete Parking Lot 02" etc. **Please include a brief description to be put under each picture in the Judging Packet**. If the image files are too big to be emailed, please send them via DropBox.

JUDGING

Winners will be selected by a panel of prominent experts in the concrete construction industry. All entries will be evaluated solely upon information in the entry form. No on-site judging will take place. **Winners will be announced in March 2023**.

AWARDS PRESENTATION

Winners will be recognized at the **2023 Concrete Council | American Concrete Institute of Missouri Quality Concrete awards Dinner on Thursday, April 13, 2023** at the Missouri Athletic Club in Downtown St. Louis.

ACI EXCELLENCE IN CONCRETE CONSTRUCTION AWARDS

Awardees of the Quality Concrete Awards are eligible to be nominated by the ACI Missouri Chapter for the ACI Excellence in Concrete Construction National Awards. The ACI Excellence in Concrete Construction Awards celebrate innovation and inspire excellence throughout the global concrete design and construction community. If your project is selected on the National Level, the presentation will be at the 2023 ACI Fall Convention held in Boston, MA. We will notify all winners.
