AVIAN INFLUENZA EMERGENCY PREPARATION COURSE FOR CANADA

February 21 – March 31, 2023

REGISTER TODAY!

The online **Avian Influenza Emergency Preparation Course for Canada** course is now available for veterinarians, veterinary technicians, and technologists as well as industry personnel who may provide support during the emergency.

Master the latest information, training and procedures in disease recognition and response in this cost-effective, Canadian context course. The self-paced course can be completed in just 12 hours over a five-week period from the comfort of home or office. Attached is the course overview.

The course is a partnership of the **Animal Health Emergency Management** (AHEM), the **Canadian Food Inspection Agency** (CFIA), and the Virtual Learning Centres, **Food and Agriculture Organization of the United Nations** (FAO) in collaboration with the **Canadian Veterinary Medical Association** (CVMA) and the **U.S. Department of Agriculture APHIS VS**.

This program has been submitted (but is not yet approved) for 12 hours of continuing education credit in jurisdictions which recognize RACE approval.

COST: $180 Veterinarians and $130 CDN for registered veterinary technicians / technologists, Canadian Veterinary Reserve Members, veterinary students, and industry participants.

Space is limited so don't delay – register now at www.animalhealth.ca/ahem/training
