DISTINGUISHED CONCRETE LOOK

shown on front: **CST30 24x48** French Gray & **CST35D 8x48** Dark Deco

Canal Street from Florida Tile celebrates the eclectic spirit of New Orleans. Contemporary in style, this distinguished concrete look proudly features timeworn imperfections and small aggregated inclusions, projecting the vibrant and resilient soul of the Crescent City. Named for the iconic thoroughfare that slices through rich history and diverse culture, Canal Street will be your foundation for congregating, celebrating, and entertaining.

Rectified field tile formats include 12x24 and 24x48 available in five color options: Levee White; Café Light Gray; French Gray; Spanish Clay, and Black Bayou.

Adding a conceptual design option to this line are deco tiles featuring unconventional bands of complementary, monochromatic color values. Two formats, 12x24 and 8x48, are offered in three tone-on-tone color combinations: Light Deco features ribbons of Levee White next to Café Light Gray; Dark Deco offers segments of French Gray alongside a deeper, darker shade; and the Clay Deco has Spanish Clay flanked with a corresponding darker tone.

Completing the line are a distinctive offset-rectangle mosaic and 3x24 bullnose in all five colors.

Canal Street color body porcelain tile is appropriate for most residential and commercial interior, dry and wet applications including walls, countertops, backsplashes, and floors. Made in the USA at our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, it includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified. Incorporated into the tile surface is Microban® antimicrobial technology that works continuously to inhibit bacteria growth, improve visible cleanliness, and reduce odors.

[1] These values may vary from lot to lot.
[2] These values are based on actual sizes including the grout joint.
[3] May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

Typical Uses

Canal Street color body porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Notes

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.
