## Workshop Focus

- **Local Wellness Policies (LWP)**: Key elements of successful policies and how to implement them effectively.
- **Understanding School Health Advisory Councils (SHACs):** The role of SHACs in supporting student health and wellness and the laws governing them.
- **Navigating Requirements:** Simplifying the regulations and ensuring compliance with state and federal guidelines.
- **Expert Advice:** Direct support from professionals with experience in child health policy.

## What is it?

- A hands-on, in depth 6-hour workshop on SHACs, LWPs, and policy resources from our experienced content experts
- Learn best practices and how to engage your school district community
- Bring your team (up to 4) and copies of your district's LWP to receive tailored feedback

## What are the Benefits?

- Strengthen implementation practices
- Increase community buy-in and engagement
- Build practical skills for real-world application
- Gain resources that facilitate collaboration
