JCMGA President's New Year Message Continued….

Before we celebrate, I want to take a moment to reflect on the past 30 years and be thankful for the support of loyal members like you. JCMGA doesn't exist without you. Each month of the year, you nourish our local communities through horticultural education and the physical labor of gardening that results oftentimes in fresh produce (nourishment for the body); friendships, comfort, beauty, and joy (nourishment for the soul); and last but not least you nourish our natural environment through restoration of native habitats which in turn creates cleaner, healthier communities. Your service is unparalleled, and I am excited and honored to continue serving with you.

So Cheers (!) to another great year!

If you need help getting plugged in with a new community project this year, please reach out to our Community Service Committee at jcmgacommunitysvc@gmail.com

If you feel called to serve in a leadership capacity this year, reach out to me at amym426@gmail.com

If you have news to share this year, please email it to jeffcomgnews@gmail.com by the 28th of the month, and please give two months' notice where possible.
