ALDRIDGE GARDENS

NATURE AND ART IN BALANCE

Request for Volunteers

Contact Janet Abernathy if you would like to Volunteer: janet.abernathy@hooveralabama.gov

- **Gatehouse Greeter - Mondays 8:30-noon, Tuesdays Noon-3:00 and Fridays Noon-3:00.** The gatehouse volunteer greets guests as they enter the Gardens, keeps a guest count in a daily log, answers questions, gives out brochures and thanks them for coming on their way out. You are a main point of contact for our guests – a smiling face is a must! If you can take a shift, or want to learn more please contact Janet Abernathy.
- **Gift Shop - Wednesdays 12:30-3:00, Thursdays 12:30-3:00.** We will train you, so no experience is necessary – you just have to enjoy meeting new people! If you can take a shift, or want to learn more please contact Janet Abernathy.
- **Spring Plant Sale, April 27th to 29th. Shifts are as follows:**

Thursday:	9am-1pm – 4 people to tally sales sheets
	1pm-5pm – 4 people to tally sales sheets
Friday:	9am-1pm – 4 people to tally sales sheets
	1pm-5pm – 4 people to tally sales sheets
Saturday:	8:30-Noon – 4 people to tally sales sheets

If you have not been through a plant sale with us before, we have all of our plants separated out by type and have plant sale committee members and their volunteers working among the plants answering questions and assisting with purchases. Once guests have their plants on a wagon ready to purchase the “tally volunteers” will mark their purchases on a sheet by price (we have these sheets printed for you). So you would just mark how many plants they purchase at each price point. You will not be totaling anything – we do that at the checkout. So it’s really easy, you get to see all of the beautiful plants and get to be on hand to make your purchases as well! You might be bringing wagons back from the front gate or helping load plants onto the golf carts.
