Chè paran,

Nou kontan pou nou ekri ou lèt sa a paske nou vle fè ou gwo konpliman pou pitit ou a ki resevwa bousdetid TheDream.US Opportunity Scholarship lan!

TheDream.US se pi gwo pwogram nan peyi Etazini ki bay jèn imigran posibilite pou yo ka kontinye etid inivèsitè yo ak aksè avèk anpil inivèsite nan peyi Etazini. Nou kwè ke tout jèn, kelkeswa kote yo te fèt, ta dwe gen opòtinite pou jwenn yon edikasyon inivèsitè ak posibilite pou yo kontribye nan peyi sila ke yo rele lakay.

Nou chwazi pitit ou a pami dè santen de aplikan pou nou ba li yon opòtinite pou li ka reyalize rèv inivèsitè l kòm yon jèn imigran. Rezon ki fè nou chwazi li, se paske nou rekonèt potansyèl akademik ak kapasite li pou simonte obstak pou reyisi nan inivèsite ak nan lavi.

Nou remèsye ou pou tout sa ke ou te fè e tout sa ou te sakrifye pou prepare li pou chimen sa a. Nou konnen ke voye pitit ou al etidye nan yon lòt eta se yon gwo etap; Nou gen yon staf solid ki la pou ede e sipòte pitit ou. Nou konnen ke ou ap sonje li anpil; epi nou konnen tou ke sa pral fè efè sou lavi de toulejou ou. Men, nou gen tout konfyans ke ak sipò ou, pitit ou a genyen tout sa li ap bezwen pou li diplome e kòmanse karyè li ki ap pèmèt li reyisi nan lavi li, nan kominote li, ak nan peyi li.

Nou fyè anpil de pitit ou a e sa li rive akonpli, nou ta swete ke ou fyè de li menm jan avèk nou!

Mèsi anpil,

- TheDream.US
