THEDREAM.US

May 2021

Dear Parent(s),

Congratulations on your student receiving **TheDream.US Opportunity Scholarship**. We are thrilled for you!

TheDream.US is the nation's largest college access and success program for undocumented students. We believe that all individuals, regardless of where they were born, should have the opportunity to get a college education and contribute to the country they call home.

Your student has been chosen from hundreds of applicants to achieve their dream of a college education. By selecting them as a Scholar, we have recognized their academic potential and ability to overcome obstacles and succeed in college and in life.

We thank you for all you have done and sacrificed to prepare them for this journey. We know that sending your child to study in another state is a big step. Know that our staff and their school's Scholar Advisor will be here for you every step of the way to assist in your child's success. We have every confidence that with your support they have what it takes to graduate and find a meaningful career that will enable them to advance themselves, their families and communities, and our country.

You should be extremely proud, as we are.

- TheDream.US
