

GREATER NEW JERSEY MOTORCOACH ASSOCIATION

Join the fastest growing Motorcoach association in the greater New Jersey region! We are a dynamic group of leading operators, casinos, and travel-related companies with a special interest in the Motorcoach industry in our region. We represent bus operators and owners on matters of collective interest in the state of New Jersey and its region. The association works in cooperation with industry associations, local, state, and federal agencies, legislators, vendors, attractions, destinations and other entities to promote the betterment and welfare of our industry, members and the objectives of the association. The GNJMA takes proactive steps in promoting safety in the motorcoach industry by sponsoring safety workshops for bus drivers, driver excellence award programs and inspection workshops.
