maximum loan	Prime -2% for interest rate	months repayment term	interest-only

INVEST FORWARD

CANtrade" can help your business act on opportunities created by shifting trade conditions - whether your plans are local, interprovincial, national or global. You do not have to prove that tariffs have already caused financial harm. The focus is on strategic investment that strengthens your business for the future.

WHAT CAN IT SUPPORT?

- Supply chain diversification
- New Canadian or international markets
- Production capacity and technology
- Talent and competitiveness improvements
- Working capital stabilization
- Operational efficiency
- Certification, testing, labelling and localization
- Professional services and business development

WHO IS IT FOR?

- For-profit businesses
- Established and financially viable
- Located and operating in Akwesasne, Cornwall or the United Counties of SDG
- Normally able to provide historical financial statements
- Ready to explain how the investment will unlock opportunities, reduce exposure or support growth

OTHER LOAN DETAILS

- No prepayment penalties
- 1% loan administration fee if approved
- Additional security may be required at higher loan amounts
