Get involved and make a difference at the JCMGA!

As the Past-President and Chair of the Nominating Committee, I am thrilled to invite you to join us in shaping the dynamic future of the JCMGA. Our organization thrives on vibrant leadership, and we are looking for enthusiastic individuals like you to step up and help us grow and nurture our group.

Whether you're a seasoned member or a fresh face, we welcome everyone with open arms. Don't let lack of experience hold you back! We have an incredible mentoring program in place to support you as you embark on your new role. Trust me, you'll quickly become comfortable and confident in your position.

Volunteering as an officer or Board member is not only fulfilling, but it's also an outstanding way to give back to the JCMGA. If you're interested, reach out to me at pdarwinbell1@gmail.com, and our Committee will consider your candidacy. We can't wait to hear from you!

But that's not all—there are plenty of opportunities to get involved beyond officer and Board positions. We have 12 exciting standing committees, each offering a chance to contribute your skills and passions. Keep an eye out for open committee positions regularly posted in Roots and Shoots, our go-to communication channel.

Exciting things are happening at the JCMGA! Last year, we achieved a major milestone by incorporating our organization and obtaining a 501(c)(3) status. This means that we are growing and evolving in new and better ways to serve our community and make a lasting impact.

So, let's come together, embrace the energy, and make a difference at the JCMGA. Join us on this incredible journey of growth, camaraderie, and shared purpose. Together, we can create an even brighter future for our organization and the communities we serve.
