January, 2020

Dear friends,

The NID School Support Fund helps support Lutheran school services above and beyond what our District budget is able to provide. Thanks to this fund, we can continue to serve schools with The School Support Fund. This fund serves all NID schools by providing:

- ☐ Travel and expenses for ***early childhood consultants.***
- ☐ ***Offset NLSA expenses***. The annual fee charged recovers only a small portion of the $30,000+ spent by NID annually on NLSA.
- ☐ Administrative expenses for ***Hearts for Jesus*** are covered so that each dollar donated to Hearts for Jesus goes directly to a designated mission.

Please consider supporting these on-going services by contributing to the NID School Support Fund.

The suggested level of assistance is $1.00 per pupil. Some schools have chosen to do more. As every school supports this Fund at this minimum level, a great deal can be accomplished. I strongly encourage all elementary schools and preschool centers to participate.

Serving the Master Teacher,

Lois Stewart

School Name/City _____

# of pupils enrolled: _____ x $1.00 = _____

Enclosed is $_____, our level of support for this year.

Please send this along with your check by March 1, 2020 to:
