Dear Students and Parents,

We are excited to offer our learning and mitzvah program for Winter vacation. The following is a list of mitzvot that each student can perform daily. Simply place a check mark in the box next to the appropriate mitzvah which your child performed. Students who choose to return a completed chart will receive a certificate of completion. After vacation, please submit the chart to your child's LK teacher and include a parent signature.

This program is completely optional and all students are welcome to participate. *Enjoy vacation!*
