# FUND-A-NEED

Vail Friends of Dance is raising funds for a spectacular **new growing Christmas tree** for our Nutcracker performances.

One of the ballet's most magical moments comes when **Clara's Christmas tree seemingly grows before her eyes**—transforming from a small Christmas tree into a towering centerpiece of her dream.

## Now, you can be part of this iconic piece of the Nutcracker for years to come.

Like a commemorative brick on a building, your name or dedication will **become a permanent part of our Nutcracker tree**—artistically incorporated into this iconic set piece for generations of dancers and audiences to enjoy.

The tree will be available for photos at the matinee meet-and-greet.
