Christian Ehrhorn

December 2021 Featured Artist

The Lamorinda Arts Council invites you to view a solo in-person show and virtual exhibit of abstract oil paintings by featured artist Christian Ehrhorn during December. Celebrate the holidays by meeting the artist at a reception in his honor on Sunday, Dec. 5 from 2:30 – 4:30 p.m. where light refreshments will be served. This is the only time the Gallery will be open to the public. All COVID-19 precautions will be observed for your safety. View his virtual exhibit through images at www.lamorindaarts.org/online-galleries.

Ehrhorn said, "I am drawn to the abstract expressionist style because of the subjective component that takes precedence over an objective and figurative approach to a subject. In other words, the mood that a particular landscape or cityscape evokes can be expressed with color, spontaneous form and textural choices … all coming together in a dreamlike composition that represents the memory of a place rather than an accurate representation of the subject matter."

An Orinda resident, he is showing seven oil paintings, each of which are abstract representations of Orinda and other local landscapes and downtown scenes. The most important message he wants to get across to people is that there are innumerable ways to experience a time and a place. "I try to represent my vision and experiences in a way that no one has seen before. Accurate, recognizable, and detailed representation of a subject is not important to me. I want you to look at one of my paintings and get lost in your own interpretation and sensory experience," said Ehrhorn. View more his work at www.christianehrhornfineart.com/
