Delaware Museum of Nature & Science

YOUR DESTINATION FOR SCIENCE FUN!

Why the Delaware Museum of Nature and Science?

Our team is committed to providing programs that:

- Align with standards and curricula, including NGSS, Gold Star, and DIEEC
- Are interactive, fun, and safe.

WE ALSO OFFER

- **Virtual lessons for teachers and students**
- **Delaware Teen Science Café**
- **Scout Programs and Overnights**
- **School Day Off and Parent Night Out Camps**
- **Museum rentals for team-building or social events**
- **Special Events**

PROGRAMS FOR SCHOOLS AND GROUPS

Bring your classroom, grade, or district to the museum, or have us come to you! We offer a variety of themes, or design your own program!

Contact us about Contract Programs. Special Rates for booking an entire grade, school, or district!

DISCOVERY TOURS

Field trips with nature and science themes.

SCHOOL OVERNIGHTS

Sleep over and doze with the dinosaurs for a very unique overnight.

MOBILE MUSEUM

Outreach programs bring the experience to your school.

WORK-BASED LEARNING

Hands-on experiences that last a lifetime.

AFTERSCHOOL PROGRAMS

Weekly options. We're already in two schools, yours could be next!

PROFESSIONAL DEVELOPMENT

Expanding minds with science-informed workshops for educators.

SCHOOL EVENTS

Special programs for your class

EARTH DAY

April 22, 2026

Presented by students from the Tatnall School Activities for grades 2-4

Sponsored by CORTEVA

BREAKING INTO STEAM

May 20, 2026

Career fair for middle and high school students with regional STEAM companies and organizations

Many of our programs include a visit with an Animal Ambassador!
