NOTICE OF MEETING OF THE
GOVERNOR'S COUNCIL ON CLIMATE CHANGE (GC3)

The GC3 will meet on December 6, 2022, 1:00 pm – 3:00 pm
Location: Gina McCarthy Auditorium, 79 Elm Street and remotely via Zoom

On September 3, 2019, Governor Ned Lamont issued Executive Order No. 3 (E.O. 3) establishing the GC3 and strengthening Connecticut's commitment to transition to a decarbonized economy and enhance resiliency of the state's economic, cultural, and natural resources to the impacts of climate change. In 2020, the Council convened working groups, conducted a participatory process, and delivered the January 2021 Report: *Taking Action on Climate Change and Building a More Resilient Connecticut for All*, with 61 recommendations for near-term climate action. In December 2021, Governor Lamont signed Executive Order 21-3 implementing 23 executive actions reflecting 33+ recommendations of the GC3 and continuing the work of the GC3. In the fall of 2022, the Working Groups convened to monitor and report on the progress of the 2021 recommendations, including new opportunities for implementation with unprecedented federal funding for climate mitigation and resilience. More information on Governor Lamont's climate action under Executive Order 21-3, the GC3, and GreenerGov can be found here: Connecticut Climate Action or email deep.climatechange@ct.gov.

Anyone wishing to provide comments may sign up ahead of the meeting by emailing deep.climatechange@ct.gov by 5pm December 5 or via the chat function on Zoom during the meeting. For in person attendees, there will be a sign-up sheet at the door. Written public comments may be emailed to deep.climatechange@ct.gov by December 12 for inclusion with the meeting minutes.
