GEORGIA ECONOMIC OUTLOOK

Reliable Insights. Better Decisions.

Georgia Economic Outlook: *Join Us For Lunch*

For 35 years the *Georgia Economic Outlook series* has been hosted by UGA's Terry College of Business. Backed by reliable economic data from Terry's *Selig Center for Economic Growth*, the Economic Outlook series is the state's premier forecasting event, providing a candid assessment of how Georgia's major industries, financial policies and models for growth will fare in the 2018 economic climate.
