---

**Where:** Blackfeet Nation and Glacier National Park located in northwest Montana

**When:** July 22-28

**Who:** All students graduating 9<sup>th</sup> grade and up (only 20 spots reserved! Sign up fast!)

**Why:** To experience God through adventure, service, community, and beautiful Montana with our youth group and those who we will spend time with on the Blackfeet Nation American Indian reservation!

We're so excited to announce that the dates and destination have been set for this summer's Normandale Lutheran High School Youth trip! This year's trip will be a one-week service and learning trip to Blackfeet Nation American Indian reservation, surrounded by the beauty and adventure of Glacier country in beautiful northwest Montana. It is home to just under 60% of the enrolled 16,000 Blackfeet tribal members and is the third largest reservation in Montana. YouthWorks is housed in the community of Heart Butte, a small town with a population of 698.

This trip will give NLC youth graduating 9-12th grades the amazing, meaningful opportunity to build relationships with community members and to bring joy, love and enthusiasm while serving through various work projects and by helping facilitate a Kids Club program with bible lessons, games, crafts, reading and sports! We'll also have the chance to explore and encounter stunning creation in Glacier National Park and join in on a community cookout all while having a blast together.

There are 20 spots reserved for the trip, so you will want to make sure to sign up quickly! The total cost (before fundraising) will be \$475 per student covering all travel, lodging and food. **Permission forms along with a \$100 deposit are due on or before February 1<sup>st</sup>.**
