Camp Marin Sierra: Installment Payment Commitment

The Marin Council provides an installment payment option for week-long camp programs for those families who wish to spread camp fees over several months. Please complete the form below and submit to the Marin Council Service Center with your first payment.

Campers attend Camp Marin Sierra as part of a Troop. You will need to confirm with your Troop that your Scout is attending summer camp, but you are paying directly at the council office. Your Troop may charge additional fees for summer camp to underwrite leader / transportation costs – those fees should be paid directly to your Troop.
