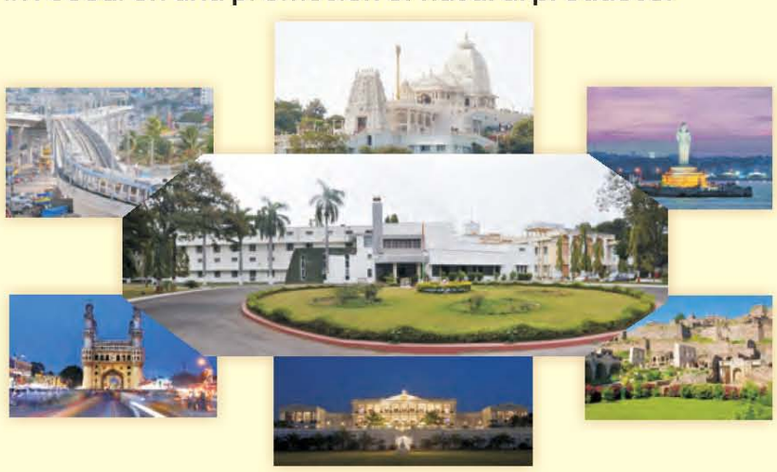
- Charakasamhita -2000 BC

Traditional Medicine & India

यथा विषं यथा शस्त्र यथाग्निरशनिर्यथा
तथौषधमविज्ञातं विज्ञातममृतं यथा 124
चरकसंहिता ईसा पूर्व 2000

For centuries, India is known for traditional systems of medicine. Today it is the major exporter of natural products in the World. India is also known for it's biodiversity and untapped flora and fauna. Many research organizations both in Public and Private sectors throughout the country are engaged in research and promotion of natural products.



About the venue:

ICMR-National Institute of Nutrition, centaury old India's premier nutrition research institute working under the aegis of Indian Council of Medical Research (ICMR), Ministry of Health and Family Welfare, Government of India located in the vicinity of Osmania University, Hyderabad (www.ninindia.org).

About the City:

Hyderabad is the largest Clean & Green City of India. It is the nerve centre of IT, Biotech and Pharmaceutical sectors with more than 15 eminent research institutes supported by ICMR, CSIR, DST, DBT, AYUSH, ICAR. The 400 year old city is a unique blend of tradition and modernity.
