Be careful what you wish for! "Into the Woods Jr." is a take on the award-winning musical "Into the Woods" by Stephen Sondheim. The adapted version still includes all of the main characters, featuring Little Red Riding Hood, Cinderella, Rapunzel and Jack from the children's tale "Jack and the Beanstalk."

The show follows the classic fairytale characters on their intertwining quests to fulfill their wishes. A baker and his wife wish for a child, Cinderella wishes to attend the King's festival and Jack wishes for his cow to give milk. The children's version, however, ends on a lighter note, focusing on the values of determination and courage. Join your favorite characters in this delightful JUNIOR version which offers a "Happy Ever After".
