जैन टेम्पल ऑफ लॉस एंजिल्स

Our scriptures state that it is our moral duty as Jains to build a temple, or at least install an idol of a **Tirthankar Bhagavän.** The environment and circumstances around us are alluring and continuously increasing our attachment and aversion. At times like this, to loosen the grip of temptations surrounding us, we need to create a serene place where we find divinity and a guiding light to lead us onto the right path. A temple and an idol of a **Tirthankar** can awaken us, purify us, and calm our mind. In this **Kaliyug** (downward time), **Jin Mandir** (temple) and **Jin Pratimä** (idol) are the best **Älambana** (spiritual support) to liberate us from the cycle of birth and death.

Our scriptures state that when we become instrumental for someone to get a glimpse of the **Bhagavän Pratima**, not only does he or she receive **Punya**, but we also receive a share. We hope that by **Darshan of Bhagavän**, someday we acquire **'Samyag Darshan'** (right faith) - our faith becomes unwavering and if we are fortunate enough, some extraordinary individuals among us may pursue this spiritual journey by taking a partial or complete vow.

Jain temple of
Los Angeles

Anyone who donates for construction of the temple, and for making and installing the **Pratimä of a Tirthankar,** will acquire virtuous **Punya Karma.** Donating to the best of our capacity is a foundation for generating **Punya** for many future lives. It brings happiness not only in this life, but also in many lives to come.

Fortunately, after a long time we now have this opportunity knocking our door to participate in such an auspicious initiative. This is the time you can convert your wealth into a currency **(Punya Nu Bandhi Punya),** which can be cashed in any **Gati.** So **do not miss out on this opportunity** and do take maximum advantage of it. It is with great pleasure to inform you that, based on the name of the sangh, the city and the direction of the **Mulnayak Bhagavän's** facing, **Shree Shankheshvar Parshvanath Bhagvan** is to be the Mulnayak along with **Shree Munisuvratsvami Bhagvan** and **Shree Neminath Bhagvan** on the sides.

The upcoming JTLA offers many sponsorship opportunities and the JTLA Committee requests your active participation by sponsoring one or more opportunities outlined in following pages. We humbly request you to share this information with your friends and relatives and encourage them to support JTLA - physically, spiritually and financially. Please accept our heartfelt thanks for your continued support as we make JTLA an ideal place for worship, our future **Tirth.** On good **muhurat,** we will perform all the rituals described in the Jain Scriptures, like **Anjan Shalaka, Pratishtha, Dhwaaj Pratishtha** and many more.
