Ryan's Place

RYAN'S PLACE ANNUAL SEMINAR

"Navigating Grief and Trauma"

Keynote Speaker Micki Burns, PhD

Micki Burns, PhD, is the CEO of Judi's House, a non-profit providing grief care to children and families. With over 20 years in clinical psychology and leadership, Micki has expanded the organization's impact and developed innovative programs for grieving families. Holding a PhD from the University of Denver, her expertise in mental health is central to Judi's House's success. Micki is a respected thought leader in childhood bereavement, known for her strategic vision, empathy, and commitment to the organization's mission.

Attendees will learn about:

- The impact of the pandemic on childhood bereavement due to the death of a parent.
- The importance of involving caring adults in the care and support of bereaved youth.
- How to differentiate between values, laws, ethics.
