invites you to our 45th annual

CSI Night Product Show

Catalogs – Samples – Information

Wednesday, November 8, 2017

DoubleTree by Hilton
1111 Jefferson Road, Rochester, NY 14623

TWO SEMINARS

First Seminar: **Freeze Thaw Analysis**
Bell & Spina Architects-Planners, PC
2:00 pm to 3:30 pm
(Registration at 1:30 pm)

Second Seminar: **Historic Preservation**
Bero Architecture PLLC
4:00 pm to 5:30 pm
(Registration at 3:30 pm)

Exhibits Open: 3:30 pm to 7:30 pm

Food Stations: 4:00 pm to 7:30 pm

CSI Night is a FREE one-day product show with 65 exhibits! National and regional manufacturers and local suppliers of building materials and services will be showcasing their products and be available to answer your questions. Show them your support by visiting their exhibits and learning more about their products at this year's CSI Night!

REGISTER yourself and other members of your firm for an educational and enjoyable evening!

CSI Night is the only event where you can:
- ***learn*** about new products,
- ***network*** with other members of the construction industry,
- ***socialize*** with your friends and associates, *and*
- ***enjoy*** delicious food

… ***all in one place*** … ***all for FREE!***

CONTINUING EDUCATION FIRST SEMINAR

"MASONRY FREEZE THAW ANALYSIS"

Presented by: Neil W. Garry PE, RRC, REWC, BECxP
BELL & SPINA, ARCHITECTS-PLANNERS, PC

This session will familiarize participants with simulation methodologies for assessing the risk of masonry freeze thaw degradation, with particular focus on interior insulation retrofit projects. Foundational concepts of dew point analysis and hygrothermal simulation will be presented, along with a discussion of the capabilities and limitations of both THERM and WUFI software simulations.

Neil W. Garry is a partner at the Rochester, New York office of Bell & Spina, Architects-Planners. Much of his 19 year professional career has focused on the technical aspects of building envelope systems. He is a licensed Structural Engineer (PE), Building Enclosure Commissioning Process Provider (BECxP), RCI Registered Roof Consultant (RRC) and RCI Registered Exterior Wall Consultant (REWC). Neil is a member of ASTM International Technical Committee DO8, Roofing and Waterproofing, and Committee E06, Performance of Buildings.

When: November 8, 2017 from 2:00 p.m. to 3:30 p.m. ***(registration at 1:30 pm)***
Where: DoubleTree by Hilton
Credits: 1.5 AIA LU, HSW
Cost: $40/person or $65 for both seminars

CONTINUING EDUCATION SECOND SEMINAR

"HISTORIC PRESERVATION PRIMER"

Presented by: Virginia G. Searl, Architect
BERO ARCHITECTURE PLLC

In an environment where sustainability is of increasing importance learn how historic preservation fits into your sustainability portfolio. Find out who must comply with preservation standards, what those standards are, why compliance is important, where to find help, and how to incorporate preservation standards in your work on historic buildings.

Virginia is Senior Partner at Bero Architecture PLLC, a full service general practice architectural firm with specialized expertise in the preservation, rehabilitation, restoration, and adaptive re-use of historic buildings. Virginia has 29 years' experience in historic preservation having served on the Village of Pittsford's Architectural and Preservation Review Board in addition to professional architectural experience. With a degree in Civil Engineering Technology from RIT and a New York State license in architecture, technical issues related to materials and methods are her particular interest and area of expertise.

When: November 8, 2017 from 4:00 p.m. to 5:30 p.m. ***(registration at 3:30 pm)***
Where: DoubleTree by Hilton
Credits: 1.5 AIA LU, HSW
Cost: $40/person or $65 for both seminars
