Skin "Renew" Package- $2185

(Value: $2912)

Savings of 25% = $725 Off

Designed to improve the overall appearance of the skin by reducing the signs of aging and sun damage.

Package Includes:

- **3 Laser LimeLight™ Treatments** (Value: $1050)
  This IPL (Intense Pulsed Light) treatment improves skin tone and surface imperfections such as redness, tiny veins, and brown spots associated with aging and sun damage.

- **6 Laser Genesis™ Treatments** (Value: $1680)
  Laser Genesis™ gently heats the dermal layer of the skin resulting in collagen stimulation and re-growth. This procedure has been clinically proven to treat fine lines, enlarged pores, facial redness and uneven skin texture. Laser Genesis™ can help restore the skin's youthful glow and appearance by reversing many of the common signs of aging and sun damage.

- **Obagi Clear** (Value: $108)
  This prescription-strength hydroquinone product helps to correct the appearance of age and sun spots for a healthier, more even complexion.

- **SkinCeuticals Epidermal Repair** (Value: $74)
  This therapeutic cream relieves the appearance of redness and soothes sensitive skin. Ideal for use after laser treatments.

Treatment Plan:

*Start treating with Obagi Clear morning and night at start of treatment plan and continue throughout treatment plan.

Laser treatments should be performed every 2 weeks beginning with Laser Genesis and alternating with Laser Limelight. The last 3 Laser Genesis treatments will be performed in a row and spaced 4 weeks apart.

*Epidermal Repair can be used after laser treatments for comfort and hydration.
