Dear Emanuel Church Family,

I want to thank you all for thinking of me. Thank you for the cards, candy, gifts, and drive-by celebration. I greatly appreciate your kindness and generosity.

Sincerely,
Melody King

Thank You to everyone who participated in the drive-by celebration or to others who sent a card in celebration of my graduation. It means so much to have an entire church family supporting me in these tough times and also knowing there will be continued support in my future.

Thank you also for the generous scholarship which I will use towards my education at Ohio University in Athens this fall. That was such a sweet surprise.

Thank You,
Rebecca Painting

To My Church Family,

Thank you so much for all that you did for me to recognize and celebrate my graduation. It brought tears to my eyes seeing so many of you drive by my house to congratulate me. The gifts were lovely and I am just feeling so much love and gratitude to have such a wonderful church family. Growing up at Emanuel UCC is one of my fondest and wonderful memories. Once again, thank you and I love you all!

Love,
Jaime Sammons
