Star Early Literacy Parent Report

Summer Bridge Webpage (FLDOE)

IS YOUR CHILD READY FOR KINDERGARTEN?

Take the next step with

SUMMER BRIDGE

Your child will take the FAST Star Early Literacy assessment three times during the VPK school year. If on the third assessment they:

- Scored below the 10th percentile
- Could not complete the practice items for any reason, including non-English speaker
- Could not complete the assessment because it is inappropriate for their needs (e.g., child's Individual Education Plan (IEP) requires paper-based testing)

Summer Bridge can help!

Summer Bridge is a FREE summer program offered by the school district to help eligible VPK students get ready for kindergarten. Your district's Summer Bridge program includes:

- Qualified instructors
- Four hours of instruction a day
- Small class sizes
- Developmentally appropriate instruction
- A focus on emergent literacy instruction

Contact your school district to enroll.
