Prince William County

Comprehensive Zoning Ordinance Update

Virtual Community Kickoff

You're Invited!

Join us for the Virtual Community Kickoff Event for the Prince William County Comprehensive Zoning Ordinance Update.

The 2040 Comprehensive Plan guides future growth and development of Prince William County and investments in public infrastructure. Its vision and policies shape quality of life and a sense of place for communities in the County. Zoning implements the Comprehensive Plan by setting rules for how land is used and developed. The **Comprehensive Zoning Ordinance Update** is an effort to comprehensively modernize the County's Zoning Ordinance and help implement the Comprehensive Plan's vision and goals for the County's future. The Prince William County Planning Office is leading this effort to develop recommendations for future adoption by the Board of County Supervisors. Learn more at PWC Works.
